

Meridian Road temporary road closure

Imperial's Sarnia Products Pipeline is critical infrastructure that provides fuel products used by households and businesses across the Greater Toronto and Hamilton Area. This includes a significant portion of jet fuel for Toronto Pearson International Airport, as well as gasoline and diesel fuel that keeps people, goods and services moving throughout our region. Operating safely in the region for many years, Imperial is proactively replacing approximately 63-kilometres of the line with new pipe as part of the Waterdown to Finch Project.

This letter is to advise of a temporary closure of a portion of Meridian Road to ensure the safety of workers and the public during the construction period. Details are provided in the table and map below.
